

## <Curriculum Vitae>

**Prof. Mag Dr. Wolfgang Wanek**

ORCID number 0000-0003-2178-8258

Division of Terrestrial Ecosystem Research

Department of Microbiology and Ecosystem Science

Center of Microbiology and Environmental Systems

Science

University of Vienna

Djerassiplatz 1, 1030 Vienna, Austria

PHONE ++43 1 4277 91262

EMAIL [wolfgang.wanek@univie.ac.at](mailto:wolfgang.wanek@univie.ac.at)

WEB <http://ter.csb.univie.ac.at/people/wolfgang-wanek>

## Research topics

- Stable isotope fractionation in plants, microorganisms and ecosystems
- Element cycling in temperate and tropical grasslands and forests, with focus on carbon, nitrogen and phosphorus
- Global change effects on biogeochemical cycles
- Development of isotope-tracing methods to study nutrient transformation processes in soils

## Research achievements in numbers (since 1993)

- 226 papers in peer-reviewed journals (12443 citations in ISI, H-index 58), 6 book chapters
- 34 invited talks at national and international conferences or institutions
- 12 research grants (total budget ~5.5 million €)

---

## Language skills

German (mother tongue), English (excellent), Spanish (basics)

---

## Personal data

Born 1967 in Vienna, Austria - One child (born 2008)

---

## Higher education

- |           |   |
|-----------|---|
| 2006      | Habilitation (Venia Docendi) in Physiological Ecology and Ecosystem Research obtained at the University of Vienna                           |
| 1993-1996 | PhD, Plant Sciences, University of Vienna (PhD thesis Mechanisms of D-ononitol accumulation in <i>Vigna umbellata</i> under drought stress) |
| 1992-1993 | Diploma, Botany, University of Vienna (Diploma thesis Metabolism of host-derived sorbitol by the mistletoe <i>Viscum album</i> )            |

---

## Appointments

- |            |   |
|------------|---|
| Since 2019 | Full professor, Center of Microbiology and Environmental Systems Science, University of Vienna  |
| 2006-2019  | Associate professor, Department of Chemical Ecology and Ecosystem Research, now: Department of Microbiology and Ecosystem Science, University of Vienna |
| 2001-2006  | Assistant professor, Institute of Ecology and Conservation Biology, University of Vienna  |
| 1997-2001  | Research Assistant "Universitätsassistent", Institute of Plant Physiology, University of Vienna   |

---

## Funded projects (last 5 years)

- |           |   |
|-----------|---|
| 2023-2027 | Microbiomes drive planetary health. <b>FWF Austrian Science Fund</b> , Cluster of Excellence, 20.997.662€, co-PI Wolfgang Wanek   |
| 2022-2024 | Adapting future tree species composition of the Vienna woods to possible consequences of climate change based on past drought responses, as indicated by forest site, soil and tree ring parameters. <b>Waldfonds – BMLRT</b> , 718.000 €, co-PI Wolfgang Wanek |
| 2019-2021 | Decadal forest soil warming: effects on soil C and nutrient dynamics and GHG fluxes. <b>FWF Austrian Science Fund</b> , D-A-Ch project, 622.050€, co-PI Wolfgang Wanek  |

- 2015-2019      MicrON: Environmental controls of microbial organic nitrogen cycling in soils. **FWF Austrian Science Fund**, 446.320€, PI Wolfgang Wanek
- 2016-2019      ClimGrass: Grassland carbon dynamics in a changing climate. **FWF Austrian Science Fund**, 414.726€, co-PI Wolfgang Wanek
- 

#### Other selected activities

- Manager/head of SILVER laboratory (Stable Isotope Laboratory for Environmental Research, Univ. Vienna)
  - Editorial board member of Soil Systems (MDPI Publishers) and Soil Biology and Biochemistry (Elsevier), ad-hoc Referee for more than 25 journals including Nature, Global Change Biology, Ecology Letters, Nature Communications; funding agencies incl. ARC Australia, NERC UK, NWO Netherlands, SNF Switzerland
  - Founding member and coordinator of the Stable Isotope Network Austria (2004-2011), co-initiator of JESIUM (Joint European Isotope User Meeting)
- 

#### Publication summary

**Highly Cited Researcher by Clarivate 2020, 2022-2024. 226 papers** in peer-reviewed journals, **6 book chapters**; H-index: **58** (Scopus).
